4/1	All: 3:30 - 6:30		Onstage	All Call	Our 8 th Grade Castmates, your call time is still 4:30. We just want to get a jump on some things and we'll fill you in upon your arrival.
4/2	TBD (Good Friday)		Onstage	The goal of the slightly earlier call times for our HS students is so we can get a little ahead, and thereby I feel comfortable letting you have the Friday going into Spring Break off.	
4/3 No Rehearsal	PLEASE – TRY TO GET OFF BOOK OVER THE SPRING BREAK! We will work so much more efficiently. I hope none of you are doing any extensive travel, but this down time should allow ample opportunities for you to learn your parts and prepare yourself physically and musically by researching other productions. We do not have much time after you return from SPRING BREAK. When you look at it – it's less than 4 weeks... not – much – time.
